Beschrijving onderneming:

The founder of this startup already has created a successful Amusement Arcade group in UK. The next idea is to bring the New Generation of Family Entertainment Centers concept into Netherlands.

The concept is providing Family Entertainment Centre (FEC), latest technology of Virtual Reality, Mini Bowling and Restaurant & Party Rooms for customers. The Machines are imported from England, USA and Japan, all of the machines, play land and bowling have received certificates by European Conformity "CE", which provide safety for everyone to play especially for children. Customer's Safety are always the First Priority.

Especially, the startup is the First Family Entertainment Centre in Europe which import Japanese amusement arcade machines. They wish to provide the best games experiences for all of their customers.

The first proposed site is in Barcelona and they planed to have another 4-5 Locations in 2022-2024. The arcades in the Netherlands will be located in the biggest malls of the country.

The first new location will generate revenue in March 2022.
