2local is a loyalty platform that supports local-2-local and sustainability. It is tapping into banking with native L2L tokens, which are designed to rise in value as part of a cashback system. The goal is to achieve a sustainable world with prosperity for all.

Vision

The unity of happy bright people and a sustainable world with prosperity for all.

Mission

Support sustainability and bring prosperity by tapping into banking with the blockchain-3.0 powered 2local platform, which rewards local-2-local and sustainable purchases.

The 2local platform is equipped with a payment app, including a marketplace with local and sustainable companies, and a monthly cashback for payments with L2L coins are designed for a rising exchange rate.

Value Proposition

We don't make profit from people we create value with people. Supporting sustainability and prosperity for all is done in a unique way, with cashback and a coin designed to rise in value.

Providing a free loyalty platform for local-2-local or sustainable companies. We use propriotory technology based on blockchain-3.0 which is highly scalable, secure, ultra-fast and low energy consuming.

The Market

We believe that supporting and developing sustainable solutions for the world is necessary to pave the path to prosperity. This is a B2B and B2P multi-trillion dollar industry.
