- Giving you full control over your Real Estate and Facilities Organisation

## **HOW**

### **OUR CORE VALUES**

#### **To Know**

- We are experts
- We know our clients and their business
- We succeed through a spirit of excellent service, exceeding the core requirements of our industry
- We always seek to innovate our services and invest in our people

#### **To Trust**

- We are respectful
- We value our relationships and treat people well
- We conduct business with integrity
- We are open and straightforward

#### **To Strive for perfection**

- We always seek to improve and innovate
- We are pro-active and responsible

#### **Objectives/Future**

- Our goal is to drive our business with a small high performing team located in The Netherlands and manage the business at max with our technology. By focussing on the technology, we also work closely together with High Performing partners worldwide and are therefore flexible in our service delivery.
- According to our conservative estimates, GRIT is expected to maintain a healthy financial position over the next five years. The business will be initially financed by a € 3 million capital investment.
- The source to repay the investment will be the cash flow generated from operations. The company will also finance further growth by its annual cash flows. We expect to be profitable in

the first year of operations. In 2025 expected revenues 63Mln
