Beschrijving onderneming:

This startup is an e-commerce company for sustainable luxury watches over time. They already have more than 20,000 followers in social networks internationally, more than 1 million brand recognition (seen in the analytics from advertising) and potential customers for the new prototype in their databases.

Between 2017 and 2018; there was a turnover of around €14,000 with the prototypes on the market.

They are partners and success stories of the Facebook leaders network, 2020 and 2021.

Native online brand born in 2017. With international reach.

The watches will be primarily sold on their own website, to maintain long-term control of their users. But in the future there expansion to other platforms is surely possible.
